

# Urgent Care Nursing Service

## Out of Hours Community Nursing

The Out of Hours Community Nursing Service provides a high quality nursing service to adult patients. The service extends across 260 square miles, covering the areas of Plymouth, South Hams and West Devon,

The Out of Hours service is a Community Nursing Team made up of registered and unregistered staff who work cohesively to provide nursing care within the community between the hours of 5:00pm—08:00am, 365 days a year.

### Our team can offer;

- End of life care
- Catheter management
- Wound care and assessment
- Medicine administration
- Chest Drain management
- Bowel care

If you require a District Nurse during the above hours, please contact Devon Doctors on **0845 2419 130** who will direct your concerns to the Out of Hours Service.

**Professional line: 01752 434427**

All referrals will be triaged and assessed for priority inline with our referral criteria.
